## Commercial Grade Air Purifiers

PureAiro Sentinel HEPA 650 Air Scrubber Ideal for home repair and construction sites, sewage remediation, water, and fire damage restoration, Get Rid of Pesky Smells to improve indoor home air quality.

## 10-YEAR Warranty

10-year housing and 1-year parts and labor warranty. We stand by our quality product and We believe in quality and after-sales-service, It is sure to last long and still keep its shape look.

## Application

During water/flood restoration, construction, crawlspaces and attics, home repairs, remodels, painting, sewage, mold remediation, water and fire damage restoration. It is perfect for a salon or print shop.

## PROVEN PERFORMANCE

The PureAiro Sentinel HEPA 650 air scrubber, with the smallest and lightest design, is unbeatable compared with other brands in removing airborne miscellaneous debris at 0.3 microns in size including pollen, plant spores, mold spores, pet dander. Pre-filter, HEPA filter and activated carbon filter are all adopted in the PureAiro Sentinel HEPA 650. The PureAiro Sentinel HEPA 650 is absolutely powerful in cleaning contaminated air with prefilter and activated carbon filter capturing larger particles and the HEPA filter drawing in smaller particles.

PureAiro Sentinel HEPA 650 is capable of cleaning air horizontally and vertically with electricity consumption no more than 3 amps. PureAiro Sentinel HEPA 650 can produce 750 CFM airflow volume at its peak, which virtually adsorb all hazardous particles from the air.

During restoration work and drying after water damage, the driving airflow can stir up particulates and particles adhering to the carpet or other materials. Then those dirty particles can be filtrated by the device with the clean, odor-free air.

## FEATURES

1. CE
2. Power-on indicator light
3. GFCI protection promotes operator safety in wet applications
- 7m cord with cord management
4. Units interlock for ease of stacking during storage and handling
5. Maintenance free Bearing Motor
6. Roto molded polyethylene Housing

## PORTABLE AND CONVENIENT

PureAiro Sentinel HEPA 650 in small size, makes it easy to move from one room to the next, and the system is stackable and made from rotomolded plastic for maximum durability.

## SAFE AND RELIABLE

PureAiro Sentinel HEPA 650 Air Scrubber Ideal for home repair and construction sites, sewage remediation, water, and fire damage restoration. This separately sold filter is perfect for a salon or print shop.
